A close-up photograph of a complex industrial machine, likely a welding or brazing system. The machine features a dark, metallic body with several digital displays at the top, each showing a red number. Below the displays, there is a dense arrangement of brass pipes, valves, and mechanical components. A bright, glowing orange flame or heat source is visible at the bottom right, indicating the machine is in operation. The overall scene is dimly lit, emphasizing the metallic textures and the intense light from the heat source.

PREMIUM MACHINE-MADE - BLOWN IN WEIDEN, GERMANY

„PREMIUM“ defines the advantage of a machine blown RIEDEL glass vs. a handmade glass.

The difference lies within the precision.

Since RIEDEL glasses are fine-tuned instruments that support your wine enjoyment, we must make sure that there are no variances in the execution of the bowl and rim diameter, which is the key to our grape varietal specific philosophy!

TRADEMARK

(1) *Riedel*

(2) **RIEDEL**

The RIEDEL TRADEMARK dates from the Art Nouveau period at the end of the nineteenth century, and was used for RIEDEL glassware made in Bohemia from 1890 to 1925. In 1996, to commemorate RIEDEL'S 240th anniversary, we reintroduced this trademark for all our handmade and hand-finished products. The distinctive RIEDEL signature is now featured on the base of all these products. This signature trademark (1) helps our customers to distinguish immediately between handmade, hand-finished products and those made by machine (2). Our machine-made products carry this trademark. The RIEDEL glass dynasty is built on the creative energies of a long line of glassmakers. The story begins in 1756 in Bohemia and continues right down to the united Europe of today, taking in on the way some of the most dramatic events in European history.

WINE CRITIC ROBERT M. PARKER JR. OF THE WINE ADVOCATE:

"The finest glasses for both technical and hedonistic purposes are those made by RIEDEL. The effect of these glasses on fine wine is profound. I cannot emphasize enough what a difference they make."

Michel Bettane, GUIDE BETTANE ET DESSEAUVÉ:

"It takes a great deal of effort for a talented winemaker to produce a good wine. These efforts can be ruined in no time if the wine is not served properly."

The quality of the glass plays a crucial role here and RIEDEL produces the largest range of high quality glasses, specifically fine-tuned to fit the predominant wine varieties of the planet. RIEDEL makes it possible to fully appreciate all the nuances of aromas and tastes from the best wines of the world."

TIME MAGAZINE:

"The RIEDEL family has never stamped its name on a single bottle of wine. But over the past 50 years, this Austrian clan of master glassmakers has done more to enhance the oenophile's pleasure than almost any winemaking dynasty."

ABOUT RIEDEL CRYSTAL

- RIEDEL CRYSTAL (established 1756) has been producing glass in the heart of Europe for over 265 years and for eleven generations.
- Family owned and operated by GEORG J. RIEDEL (10th generation) and MAXIMILIAN J. RIEDEL (11th generation).
- RIEDEL is recognized worldwide for designing and producing the highest quality glasses and decanters for the enjoyment of wine and spirits.
- Top-rated wineries and restaurants throughout the world use RIEDEL.
- RIEDEL produces collections for every lifestyle and price range, whether for critical wine evaluation, a picnic or dinner. There is a series for every wine lover.

AT RIEDEL, CONTENT COMMANDS SHAPE

Perfectly designed glassware enhances the aroma and the flavor of all aromatic beverages.

- In the late 1950s, CLAUS J. RIEDEL was the first person in history to introduce and develop wine-friendly stemware.
- Wine-friendly stemware translates and delivers the bouquet, taste, balance, and finish of a wine to the senses.
- Based on this principal, RIEDEL introduced the concept of grape-specific glassware.

WHY SHAPE MATTERS

- Stemware consists of three parts: the bowl, stem and base.
- The height of the stem and the width of the base are part of the glass design (known as the architecture).
- Grape varietal specific stemware features finely-tuned glass bowls consisting of three variables: shape, size, and rim diameter.
- Grape varietal specific stemware has to translate the "message" of wine to the human senses.

THERE ARE 4 SENSATIONS IN WINE:

- 1. Bouquet:** Grape varietal specific stemware is responsible for delivering the quality and intensity of the wine's aroma.
- 2. Texture:** Grape varietal specific stemware highlights the exciting and diverse styles of „mouthfeel“ in wine (watery, creamy, silky, velvety).
- 3. Flavor:** Grape varietal specific stemware creates a balanced interaction between the fruit, minerality, acidity and bitter components of a wine.
- 4. Finish:** Grape varietal specific stemware offers a pleasant, seamless, harmonious, and long lasting aftertaste.

THE ARCHITECTURE OF STEMWARE

Comprises three parts: bowl – stem – base.

The design (architecture or construction) of a stemmed glass must ensure that the size, height and width are in perfect harmony. The size of the bowl has to be in proportion to the height of the stem and the width of the base. Respecting the exact ratio between these dimensions ensures the glass is correctly and seamlessly proportioned. Table top “classics” are composed using the magic “golden architectural formula”. Early glass architecture, around 1920, took the lead, spearheaded by three Viennese architects (Loos, Hoffmann, Ertl). CLAUDS J. RIEDEL’s designs from the late 1950’s, reestablished and took on this concept, which combined with influence from French and Irish classics resulted in stemware featuring this “construction”, which is so pleasing to the eye.

SERVING TO MAXIMIZE ENJOYMENT

- Glass hygiene: Serve beverages only in sparkling, clean, odorless glasses.
- Serving temperature: Do not over-chill white wines and sparkling wines; serve red wines below room temperature.
- Serving per glass: Maximum 3 to 6 oz / 100 to 125 ml. Never over-pour the glass.
- The ample, gracious glass volume offers great wines the room to breathe and to express the unique message of the aroma.

SELECTING THE RIGHT RIEDEL GLASS RIEDEL

Offers the option of either ‘varietal specific’ glasses, for dedicated wine lovers, or ‘wine friendly’ glasses, for informal wine drinkers. When choosing a grape varietal specific RIEDEL glass, consider that it is designed for, and performs at its best with, a specific type of wine. A grape varietal specific RIEDEL glass is a wine tool – ‘the key to wine’ – shaped to unlock the most elusive characteristics. Visit our Wine Glass Guide at RIEDEL.COM to identify the right glass for your wine.

IS THERE ONE GLASS FOR ALL MY WINES?

The most versatile shapes for red and white wines are found in the RIEDEL Wine Friendly Collection and the GRAPE@RIEDEL Collection. However, it's important to remember that the shape of the glass does matter for maximum intensity and total enjoyment of wine.

DOES ONE GLASS FIT ALL?

One glass can never provide the optimum experience for all styles of wine. A wine's bouquet, taste, balance and finish are all influenced by the shape of the glass from which it is consumed. A wine will display very different characteristics when served in different glass shapes. These differences can be so great, that even experienced wine connoisseurs have believed that they are tasting as many different wines as there are different glasses. RIEDEL has created shapes that specifically enhance a wine's harmony and highlight its unique characteristics. Grape varieties carry in their DNA unmistakable flavor profiles, which add to the importance of selecting the appropriate glass. Wines have two, three or four flavor contributors which are associated with the fermentation.

RIEDEL has extensively researched the impact of the size and shape of the glass across all popular grape varieties, leading to the conclusion, on which the world's wine experts agree: the aroma, taste, texture, finish and enjoyment of wine, is maximized by using the correct 'WINE TOOL'.

Two-flavor contributors: floral white wines – aroma and taste are dominated by fermented grape juice and the flavor of yeast.

RIESLING GRAND CRU
(13-3/8oz, 380ccm)

Three flavor contributors: oak-aged white wines – aroma and taste are dominated by fermented grape juice, the flavor of yeast, and oak influence (malolactic fermentation, gentle wood flavors combined with ageing and aeration).

**MONTRACHET/
CHARDONNAY**
(18-3/8oz, 520ccm)

Four flavor contributors: oak-aged red wines – aroma and taste are dominated by fermented grape juice, the flavor of yeast, maceration (fermentation of the skin and juice) and oak influence (malolactic fermentation, gentle wood flavors combined with ageing and aeration).

CABERNET
(30-3/8oz, 860ccm)

HANDMADE/HAND-FINISHED PRODUCT

The origin of blown glassware dates back 2000 years. The Romans were the first to use this technique. At RIEDEL, in Kufstein, we produce handmade and hand-finished crystal glassware. Each hand-made and handmade item is individually crafted/hand-finished by our master glassmakers. The expertise of these craftsmen guarantees that the quality of each glass meets the high standard for which our brand is known. Because of the handmade/hand-finishing, small tolerances in the size and weight of each glass, tiny bubbles/imperfections and slight surface variations are a feature and an acceptable part of the process.

WHY SHOULD I USE A DECANTER? HOW WILL DECANTING ENHANCE MY WINE EXPERIENCE?

There are two reasons why we decant wines:

1. Decant an older wine to separate it from its sediment.
 2. Decant a younger wine to increase aeration, revealing more complexity, and opening up aromas and flavors.
- To enjoy young wines fully (up to 10 years for both red and white) consider opening them 8–12 hours prior to consumption for aeration, or decant the wine, as this shortens the aeration process.
 - The main preservation element in wine is carbon dioxide, which is integrated with the wine during the first (= alcoholic) fermentation.
 - Decanting reduces the amount of carbon dioxide and “matures” the wine, allowing the bouquet to develop faster.
 - On the palate, decanted wine expresses higher levels of fruit in red wines and tends to integrate and smooth out tannins.
 - When decanting young wines, turn the bottle directly into the decanter and let it splash into the vessel to maximise aeration.
 - When decanting off the sediment of an old wine, slowly pour the wine into the decanter without allowing any sediment to leave the bottle.
 - Suggest the customer considers trying the following exercise: *Using identical glasses, decant half the bottle and serve the other half directly from the bottle – then draw your own conclusion.*

CHRISTIAN MOUEIX, PRESIDENT OF THE NÉGOCIANT HOUSE ÉTABLISSEMENTS JEAN-PIERRE MOUEIX:

“I prefer to decant wines, both young and old. It is a sign of respect for old wines and a sign of confidence in young wines. Decanting old wines, just a few moments before they are served, helps to ensure that the wines’ clarity and brilliance are not obscured by any deposit that may have developed over time. Decanting young wines several hours before they are served gives the wine a chance to bloom and attain a stage of development that normally requires years of ageing.”

FOR INFORMATION ON GLASS CARE
AND HOW TO WASH GLASSWARE,
VISIT RIEDEL.COM.

IF WASHING BY HAND

- Wash the glass under warm water (use detergent and rinse the glass carefully)
- Glass polishing: Use two polishing cloths, never hold the glass by the base to polish the bowl
- Stem snap: Occurs through mishandling = torque or bend pressure at the stem
- Storage: Avoid glass storage in kitchen cabinets which have strong aromas that translates into glass

For a perfect result

1. Wash under warm water, detergent is not necessary

2. Place on linen to drain for the time being

3. For extra shine, steam over boiling water

4. To polish use microfibre polishing cloths

5. Hold glass by base and polish

6. Use one hand to cradle the bowl and polish with your other hand

NEVER twist the base and bowl

7. Perfect result

CAUTION: A RIEDEL glass is a grape varietal specific wine tool! This shape works best with wines made from specific grapes. Please read the instructions below to guarantee maximum enjoyment.

Rules when handling connoisseur glasses

1 Filling the glass

Do not over-pour. This will ensure maximum development of the wine's bouquet, and also provide the most elegant table setting.

2 Holding the glass

The appropriately filled glass should always be held by the stem rather than the bowl.

3 Swirling the glass

Carefully swirling the glass allows oxygen into the wine by increasing its surface area and helps release the wine's rich, mature aroma.

4 Why and how to decant wines

To decant wine means to transfer it from its bottle to a decanter or carafe before drinking. During storage or aging, wine can develop a solid deposit or sediment at the bottom of the bottle. Decanting is an easy means of separating the sediment from the wine. It also helps the wine breathe, as the greater surface diameter lets more oxygen reach the wine than the bottle does.

5 Wine temperature

Before decanting/or serving wine, store it at appropriate temperatures (red wine 59–63°F, 15–17°C, white wines at 50–54°F, 10–12°C). The proper serving temperature enhances the quality of the wine by allowing it to fully develop its characteristic aromas and flavours.

TG and its affiliates shall not be responsible for and Customer shall indemnify, defend and hold TG and its affiliates harmless from, and against, any and all claims, suits, losses, damages, demands, injuries, costs and expenses (including reasonable attorney's fees) arising out of or related to Authorized Packaging Changes, including but not limited to any damage or loss arising out of the labelling, marking, tagging, waste management, boxing, marketing, storage, distribution, handling, cleaning and/or sale of the Products or of the Customer Packaging.

2.13. In the event that Customer elects to purchase TG's Product comprising two wine glasses within packaging permitting Customer's inclusion of one bottle of wine (the "**2 Glasses 1 Bottle Product**"), Customer shall ensure that the 2 Glasses 1 Bottle Product complies with all applicable laws, rules, and regulations, including but not limited to those laws, rules, and regulations that concern such 2 Glasses 1 Bottle Product's labelling, marking, tagging, waste management, packaging, marketing, storage, distribution, handling, cleaning and sale, and Customer shall indemnify, defend, and hold harmless TG and its affiliates for any violations or alleged violations thereof. TG and its affiliates shall not be responsible for and Customer shall indemnify, defend and hold TG and its affiliates harmless from, and against, any and all claims, suits, losses, damages, demands, injuries, costs and expenses (including reasonable attorney's fees) arising out of or related to 2 Glasses 1 Bottle Products, including but not limited to any damage or loss arising out of the labelling, marking, tagging, waste management, boxing, marketing, storage, distribution, handling, cleaning and/or sale of the 2 Glasses 1 Bottle Product.

2.14. Customer understands that TG's ability to effect proper quality control measures, including but not limited to quality control oversight over the Brands, Trademarks and the Products, requires TG's unfettered ability to track its inventory at all stages of the Products' supply chain. Accordingly, Customer acknowledges and agrees that it will not under any circumstances remove, deface, obscure, cover up, or otherwise make illegible or unreadable any unique identifying label, mark, tag, scan code, or identification number (including but not limited to bar codes, RFIDs, and QR codes) that is howsoever affixed to any Product or the packaging of any Product.

2.15. In the event that Customer, as determined by TG in its sole discretion, is found to have violated any part of **Clause 2.6., 2.10., 2.11., 2.12., 2.13 or 2.14**, TG shall, in its sole unfettered discretion, be entitled to immediately suspend or terminate Customer's status as an authorized purchaser and/or reseller of the Products, and TG shall reserve all rights and remedies it may have against Customer that may be available to TG pursuant to these T&C, any other agreement entered into or otherwise governing the relationship between TG and Customer, applicable law, or otherwise.

2.16. TG does not provide Customers with any kind of marketing support, unless decided by TG in its sole discretion on an individual case-by-case basis. In the event that TG elects to grant any kind of marketing support to Customer, under no circumstances shall TG be obligated to complete or otherwise continue such marketing support or provide any future marketing support. In the event that for any reason, as determined by TG in its sole unfettered discretion, the Customer's status as an authorized purchaser and eventually reseller of the Products, as applicable, is suspended or terminated, TG reserves the right to terminate any marketing support with immediate effect or until further notice, and TG will not accept any invoice deductions during any suspension or in case of termination. Under no circumstances shall Customer be entitled to reimbursement for any kind of investments, or for any costs/expenses of promotional events or of promotional material of any kind whatsoever regarding the Brands (see **Clause 3.2.**), irrespectively if Customer organized such events itself or via third parties or purchased such material from TG or from a third party.

GENERAL TERMS AND CONDITIONS OF CONTRACT OF TIROLER GLASHÜTTE GMBH 2024 ("TG").

3. Customer Obligations.

Customer hereby agrees at all times to observe and abide by the obligations (the "Customer Obligations") as outlined in this **Clause 3**.

3.1. Retail-Customers: Retail-Customers may sell retail Products received from TG to end-user consumers. Active sales to certain groups of resellers or to any kind of resellers in certain territories, which TG has exclusively reserved for itself or for third party dealers, are prohibited. TG will inform Customer respectively. Passive sales are exempted from the above restriction. Provisions in the selective distribution network remain unaffected by this **Clause 3.1**.

3.2. Customer acknowledges its obligation to maintain and promote the extremely high standard of the Products' reputation as comprising some of the world's finest glassware, the goodwill symbolized by the "Riedel", "Spiegelau" and "Nachtmann" brands (the "Brands"), and the associated trademarks (together the "Trademarks") and trade dress and Products, and to further refrain from any conduct that could be viewed as disparaging or otherwise having a negative impact on the image of the Products, the Brands, the Trademarks, TG and its affiliates, and shall include, but shall not be limited to, selling of the Products to or via mass merchandisers or discount stores that were not specifically authorized by TG in writing, and the selling of the Products next to other goods that are infringing upon the intellectual property rights of TG or of its licensors.

3.3. Customer will conduct and maintain at all times its operation in compliance with the T&C, all applicable laws and regulations. Customer agrees not to engage in any unfair trade practices.

3.4. Customer will comply with all quality control standards, including, but not limited to, advertising, storage, and shipping requirements, as announced from time to time by TG.

3.5. Customer will comply with the Riedel Corporate Branding Policy & Quality Standards, which are hereby expressly incorporated into and form an integral part of these T&C. TG, in its sole unfettered discretion, reserves the right to change the Riedel Corporate Branding Policy & Quality Standards at any time.

3.6. In the event that Customer, as determined by TG in its sole discretion, is found to have culpably violated any part of **Clause 3**, Customer shall indemnify and hold TG harmless from any cost and liability, including costs of litigation and attorney's fees as may be incurred in defending any civil, criminal, or administrative action brought against TG or its affiliates, officers, employees, or agents that may result from a violation of any part of **Clause 3**, and TG shall, in its sole unfettered discretion, be entitled to immediately suspend or terminate Customer's status as an authorized purchaser and/or reseller of the Products, and TG shall reserve all rights and remedies it may have against Customer that may be available to TG pursuant to these T&C, any other agreement entered into or otherwise governing the relationship between TG and Customer, applicable law, or otherwise.

4. Prices.

The prices for the Products and/or services are as set out in the applicable printed and/or digital Price Books provided to Customer by TG from time to time (the "Price Books"). TG, in its sole unfettered discretion, reserves the right to change the Product assortment and/or the service assortment as well as the prices for its Products and/or services at any time. All prices are stated in Euro, or – at TG's sole discretion – in another currency depending on the Customer address. Unless otherwise stated in TG's applicable Payment & Delivery Terms (as defined in **Clause 5.1**) all prices are stated net per sales unit, EX WORKS („EXW“, INCOTERMS 2020) TG warehouse, Germany, excluding the packaging for shipment. Prices are exclusive of statutory VAT or other taxes, fees or duties. If VAT is payable, it will be stated separately in TG's invoice. TG issues its invoices in Euro, or – at TG's sole discretion – in another currency depending on Customer's address, whereby the prices applicable at the time of the Order Confirmation shall apply.

5. Terms of Payment.

5.1. The **payment terms** applicable to Customer are set forth separately in TG's "Payment & Delivery Term Sheets" applicable to Customer (the "Payment & Delivery Terms"), which are hereby expressly incorporated into and form an integral part of these T&C. TG, in its sole unfettered discretion, reserves the right (i) to change its Payment & Delivery Terms at any time, changes applying to future Orders placed, or (ii) to suspend or refuse fulfilment of any contract with Customer, if in the opinion of TG, this is necessary due to Customer's financial situation or payment history.

5.2. TG may ask for a payment confirmation to be issued by a bank accepted by TG. Payment will be deemed effected as soon as TG is able to freely dispose of the same at its registered office. If payments are effected in freely convertible currencies other than the invoicing currency, Customer will bear the exchange rate risk. Any bank charges are at Customer's expense. Customer acknowledges its obligation to pay default interest of 11% p.a. as of the due date.

5.3. Any claims, counterclaims or claims for compensation of Customer shall not entitle Customer to any extension of the period stipulated for payment, nor shall any such claims or counterclaims serve as a set-off against or otherwise be used

to justify non-payment of all amounts owed to TG by Customer. Notwithstanding this, offsetting is possible if the claim, counterclaim or claim for remuneration is undisputed or has been recognized by declaratory judgement.

5.4. An eventually granted cash discount may only be deducted, if all outstanding invoices have been fully paid by Customer.

5.5. TG is not obliged to accept checks or bills of exchange; they will only be credited as payment subject to them actually being honored to the value to which they are at disposal. All costs incurred in connection with acceptance of bills of exchange or checks, in particular discounting charges and interest, shall be borne by Customer.

5.6. Each delivery by instalment shall be deemed an independent transaction for billing and payment purposes.

5.7. In the event of default in payment under these T&C by more than sixty (60) days past due, TG may suspend all deliveries until the full outstanding amount has been credited to TG's account. Although TG may accept new Orders, these will not be processed and/or delivered.

5.8. If (a) Customer's account reaches sixty (60) days past due OR (b) all or substantially all of the assets of Customer are sold or otherwise transferred; OR (c) there is a change in control with respect to Customer; OR (d) the legal form of Customer is changed; OR (e) in the reasonable opinion of TG, Customer's financial situation changes or deteriorates materially (e.g. a bill of exchange or cheque provided by Customer is not honored); OR (f) at any time TG considers (acting reasonably) that Customer is a credit risk, THEN: (g) Customer's account will be put on immediate and automatic credit hold, all deliveries to Customer may be suspended, and TG may refrain from fulfilling any and all future Orders, (h) all outstanding accounts receivable, also under bills of exchange, will become due for immediate payment irrespective of their due date and (i) TG shall be entitled to suspend, terminate or cancel all current contracts and/or confirmed Orders, to request damages in lieu of performance, stop any or all deliveries, require pre-payment or proper security before making any delivery or effect delivery only against full cash amount payable on delivery (if Customer has already advanced any payments in relation to terminated or cancelled Orders, TG will refund those amounts or allocate/offset them accordingly); and (j) TG will retain title to Products that have not been paid for as described under **Clause 12**. and TG may ascertain and collect any such Products that are in the possession, custody or control of Customer.

6. Delivery and Passing of Risk.

6.1. The **delivery terms** applicable to Customer are set forth separately in the Payment & Delivery Term Sheets applicable to Customer (as defined in **Clause 5.1**). TG, in its sole unfettered discretion, reserves the right to change its Payment & Delivery Terms at any time, changes applying to future Orders placed.

6.2. Unless otherwise stated in TG's applicable Payment & Delivery Terms or agreed in writing by TG, all deliveries will be effected EX WORKS („EXW“, INCOTERMS 2020) TG warehouse, per address RSN Logistik GmbH, Weiden i.d. Of., Germany.

6.3. Unless otherwise stated in TG's applicable Payment & Delivery Terms, if so requested by Customer and agreed in writing by TG, Products can be shipped to a different destination. Save where otherwise agreed, TG is entitled to determine the kind of shipment (in particular the forwarding agency, shipment route, packaging). Products will be shipped at Customer's sole cost and risk.

6.4. If Products are shipped to a different destination upon Customer's request, the risk shall pass to Customer on the Products' surrender to the person designated to carry out shipment. Customer shall assume all risk to Products during transportation thereof, TG shall not be obligated to replace or credit Customer for Products that are stolen, lost, broken, damaged, or otherwise altered during or as a result of their transportation, and Customer shall be solely responsible for filing any and all claims for loss or damage with the responsible entity or entities.

6.5. Deliveries will be made by TG according to its operational capabilities. Communicated lead-times refer to TG ex-warehouse dates and are estimates only and are not binding; lead-times for Special Orders and Limited Editions will be communicated to Customer on a case-by-case basis, also refer to TG exwarehouse dates and are estimates only and are not binding. To the extent permitted by law, TG will not be liable for its failure to make any delivery by the estimate date and any claims for damages due to non-performance or delayed performance are excluded, and Customer waives any and all claims against TG and its affiliates for damages and other liabilities arising from or due to TG's actual or alleged non-performance or delayed performance.

6.6. TG will observe commercially reasonable efforts in its observance of these T&C, which observance shall be subject to unforeseeable events or events not otherwise contemplated by these T&C. TG will not be responsible for any delay or failure to perform its obligations under these T&C or otherwise, which arises out of or is due to unforeseeable events or events independent of the intention of the parties, such as events of force majeure ("**Force Majeure Event**"), including, by way of example and not of limitation, all events of pandemics, epidemics, war, terrorist actions, interventions, instructions and prohibitions of official authorities, delays in transport and customs clearance, transport damage, inclement weather,

GENERAL TERMS AND CONDITIONS OF CONTRACT OF TIROLER GLASHÜTTE GMBH 2024 ("TG").

lack of energy, financial crisis, labor conflicts as well as delays in delivery on the part of suppliers for any reasons. Delivery times shall be extended accordingly in the event of Force Majeure, whereby TG may also cancel the delivery in whole or in part after the expiry of 3 months after the occurrence of the Force Majeure Event, unless there is merely a temporary impediment to performance. The agreed payment terms shall remain unaffected. In the event of a full or partial cancellation, TG will inform the Customer immediately thereof, and eventual payments made by Customer in advance shall be reimbursed in the corresponding proportion.

6.7. Retail-Products are shipped in brown master packs (order units). The master pack is only to protect the retail-Products and is not designed to be used as shippable outer carton and may not be used as such. Any other use of the master pack, in particular its use for shipping, is the sole responsibility and the sole risk of Customer.

6.8. The costs for requested or necessary special packaging and packaging materials used for the Products shall be exclusively borne by the Customer, notwithstanding any omission of such costs in TG's Price Books or any cost estimate or quote provided to Customer with respect to the Products. Customized packaging shall not be offered or provided to Customer unless Customer and TG enter into a separate agreement duly signed by Customer and TG.

6.9. Regarding Special Orders, TG reserves the right to supply the quantity deviations of +/- 5% of the quantity ordered (the "Permitted Deviation"), which is customary within the industry. Provided that TG's fulfillment of any Special Order is within the Permitted Deviation, the quantity actually delivered shall be paid for by Customer in full.

6.10. If, pursuant to any Order Confirmation, Products are to be picked up by Customer at a TG warehouse, TG will advise Customer about twenty (20) business days in advance of the respective delivery date. Partial deliveries of an Order (i.e. deliveries by instalments) are permitted. Customer shall pick-up all available and prepared Products, including partial deliveries of an Order, within ten (10) business days as of the communicated delivery date. If Customer informs TG that Customer will not collect the respective delivery or if Customer fails to pick such delivery within this ten (10) business days window, TG shall be entitled to either (i) partially or in total cancel the respective Order or (ii) to store the Products at Customer's cost and risk, whereby delivery to Customer shall be deemed fulfilled and will be invoiced; and to charge warehousing fees for storage of such Products in a customary amount.

6.11. If Products are shipped to a different destination upon Customer's request (see **Clauses 6.3. and 6.4.**) and are ready for shipment, but cannot be shipped through no fault of TG, or if Customer does not want such Products to be shipped, TG is entitled at its sole discretion either to fully or partly cancel the Order, or to store the Products at Customer's cost and risk, and TG is entitled to charge warehousing fees for storage of such Products in a customary amount. In the event of cancellation, TG will inform the Customer thereof without delay, and credit any eventual payments already made accordingly.

6.12. If Customer purchases Products for export, Customer shall bear sole responsibility for proper customs clearance. Upon request, the Customer shall provide TG with evidence of respective customs clearance in a proper form.

7. Partial Delivery.

Deliveries by instalments (i.e. partial deliveries) shall be permitted and may be invoiced. If TG delivers any of the Products by instalments, and any one of those instalments is defective/non-compliant for any reason (as defined in Clause 8.), it is not a repudiation of the contract of sale formed by the T&C.

8. Notice of Defects/Non-Compliance, Warranty.

8.1. Any defect claims or non-compliances with the contract must be made in writing within **twenty-eight (28) days** from the date of delivery of the Products and in any event prior to their use or re-sale, including a detailed description and photos of the alleged defect and/or non-compliance; otherwise the Products are deemed accepted by Customer. Claims will be subject to a review and approval process.

8.2. Customer shall assume all risk to Products during transportation thereof. TG shall not be obligated to replace or credit Customer for Products that are stolen, lost, broken, damaged, or otherwise altered during or as a result of their transportation, and Customer shall be solely responsible for filing any and all claims for loss or damage with the responsible entity or entities.

8.3. Any defects or non-compliances caused as result of a Force Majeure Event are excluded from TG's warranty.

8.4. For glass clouding a warranty of 2 (two) years as of the respective production date (according to bottom stamp) is granted. No warranty is provided for mechanical damages to the surface.

8.5. Customer acknowledges that deviations may occur between Products from the same series for technical reasons and because of the materials used in the course of the production of glass products, in particular with respect to size, weight, ovality, or the vertical axis, which cannot be influenced by TG. Handmade Products or handmade Product parts may be subject to sample and size deviations. Therefore, all such deviations between Products, in particular

compared to drawings or earlier deliveries of the same Product, do not constitute a defect.

8.6. In case of a valid claim in respect of any defective/non-compliant Product, TG will, at its sole discretion, either arrange delivery of a replacement Product (subject to its operational capabilities) or issue a credit note for the price paid by Customer to TG for the respective defective/non-compliant Product, but not both.

8.7. If TG chooses to arrange delivery of a replacement Product, Customer is required to return the defective/non-compliant Product at Customer's cost and risk to the warehouse determined by TG.

8.8. Any and all other warranty claims of Customer shall to the extent permitted by law be excluded.

8.9. TG will not replace any Products broken or damaged if master packs are used for shipping (see **Clause 6.7.**).

8.10. Damaged packaging is not replaceable or refundable.

8.11. The rights relating to defects and non-compliance do not apply in case a defect/non-compliance arises because Customer fails to observe TG's or a manufacturer's Product or Product packaging instructions, recommendations or guidelines, in particular instructions, recommendations and guidelines for processing, handling, cleaning and use of the Product, or by failing to observe generally accepted Product use practices.

9. Limitations of Liability.

9.1. Where liability for damages is subject to fault, TG's liability for damages – irrespective of the legal grounds – shall in each case be limited in accordance with this **Clause 9.**

9.2. TG shall not be liable if and to the extent that Product instructions, recommendations and/or guidelines, in particular instructions, recommendations or guidelines for processing, handling, use, caring or cleaning of the Products and/or the Product packaging, and/or generally accepted Product use practices are not observed by Customer or its customer or other persons, unless Customer furnishes proof that the damage would have occurred even if the Product or Product packaging instructions, recommendations and/or guidelines had been observed.

9.3. TG shall not be liable and shall not be responsible for, and Customer shall indemnify and hold TG harmless from, any and all claims, suits, losses, damages, demands, injuries, costs and expenses (including attorney's fees) arising out of or related to the purchase, handling, storage, packing, labelling, distribution, promotion, use or cleaning of the Products by Customer.

9.4. Decorations of any kind not been made or commissioned by TG, such as engravings, silk-screenings etc., are the sole responsibility and risk of Customer. TG will not be responsible and shall be excluded from any warranty whatsoever, especially but not limited to that heavy metals or other dangerous materials are applied, or if the material used is not water-resistant or dishwasher-proof. Customer shall indemnify and hold TG and its affiliates harmless from any and all claims, suits, losses, damages, demands, injuries and expenses (including reasonable attorney's fees) arising out of or related to any claims made against TG based on any decorations (such as engraving, silk-screening, etc.) made to the Products by Customer.

9.5. TG shall only be liable for damage to the extent that the damage was caused by TG by gross negligence or willful intent. Liability for slight negligence is excluded, except in the case of personal injury. In such cases, however, TG's liability shall be limited to the foreseeable and typical damage.

9.6. The burden of proof lies with Customer.

9.7. In all other respects, TG's liability is excluded and Customer shall not be entitled to, and releases TG and its affiliates, directors and employees from any additional claims, in particular for compensation of indirect, consequential, special or punitive damages of any kind that Customer or others may suffer, including but not limited to damages for lost profits or business interruption, goodwill revenue, savings or opportunity, whether in contract, tort (including negligence) or otherwise. For clarification, the cost of making a claim shall be borne by Customer.

9.8. TG's statutory liability under the mandatory provisions of the Austrian Product Liability Act (Produkthaftungsgesetz) shall not be limited by the T&C.

9.9. Except as provided in the T&C, TG makes no warranties or representations as to the Products or services. All implied warranties, including but not limited to implied warranties of merchantability and fitness for a particular purpose are hereby expressly excluded to the extent permitted by law.

10. Returns.

Unless due to their defectiveness or non-compliance Products are returned in accordance with **Clause 8.**, all returns are subject to TG's prior written approval and subject to the exclusions as set out in these T&C. Special Orders, Limited Editions, Products that were un-packed from the original boxes, 2 Glasses 1 Bottle Products, Products that have Authorized Packaging Changes or are engraved, decorated or are personalized in any other way cannot be returned and will not be reimbursed. Returned Products must be part of the current Price Books and in unused, mint, resalable condition, packed in the original undamaged boxes and

in the original sealed master packs. Returns must be shipped within thirty (30) days after having received TG's written prior approval and shall be delivered to the warehouse defined by TG, freight, risk and costs at Customer's expense and responsibility. For Products returned in accordance with these provisions and such Products not being defective/non-compliant under **Clause 8.**, the EXW TG warehouse, Germany, Product net price paid by the Customer for the respective purchase will be credited minus a 15% restocking and handling fee. Any returns not in conformity with the foregoing may be refused by TG and will be not reimbursed.

11. Intellectual Property Rights.

11.1. TG or TG's licensors hold any and all rights, titles, all goodwill and all other claims and interests of any nature whatsoever, including any and all intellectual property rights such as copyrights, trademark rights, labelling rights, trade secrets, design patent rights, patent rights and/or design rights, relating to the Products, the Product designs, the Product packaging, the glassware samples, the glassware sample designs, the designs of the glassware and of the prototypes, as well modifications, further developments and adjustments thereof, including the respective drawings, tools, moulds, casting forms and Product packaging.

11.2. Any and all Products, samples, drawings and packaging, including the manufacturing drawings, the Product packaging, the Product and packaging samples and prototypes, supplied by TG are protected by intellectual property rights, namely copyright, trademark rights, labelling rights, trade secret, design patent rights, patent rights and/or design rights, which are held exclusively by TG or by TG's relevant licensor.

11.3. Any and all tools, molds, drawings, plans and prototypes provided to a Customer are the sole property of TG, including but not limited to any and all intellectual property, even if Customer bears the costs of their acquisition in part or in full, and will not be handed over at the end of any kind of cooperation or contract.

11.4. Customer is entitled to the restricted use of the Brands and/or Trademarks affixed to the Products or their packaging in its unchanged and originally packed form, in order to identify the Products. By doing so, Customer does not acquire any rights or licenses to the Brands or the Trademarks, or any other proprietary material of TG or its licensors. Customer undertakes to refrain from any other use of the Brands or Trademarks, and any other proprietary material of TG or of TG's relevant licensor.

11.5. Any use of the Brands, the Trademarks or of any other intellectual property of TG or of TG's licensors, as well as photos or videos thereof, in publications, electronic (internet) advertising, social media pages, or printed matter is only permitted upon prior written authorization of TG. In addition, Customer undertakes not to use any marks or signs that are likely to be confused with those of TG or of TG's licensors, or with "Riedel", "Spiegelau" or "Nachtmann" or similar marks or signs or to have them protected in whatever form, in any jurisdiction.

11.6. Any and all materials and related documentation TG provides to Customer hereunder or through any contract together with any and all rights, titles and interests in the intellectual property, including but not limited to the Brands, the Trademarks, or any other proprietary material of TG and its licensors as well as all goodwill and copyright, in and arising from the Brands, the Trademarks and the Products, vested therein or related thereto, remain the sole and exclusive property of TG or its licensors.

11.7. Documents such as catalogues, brochures, packaging, illustrations, photos, videos, and the like as well as samples and designs remain at all times the intellectual property of TG or TG's licensors, protected by the relevant statutory provisions regarding reproduction, imitation, competition, etc. Customer undertakes not to make such material and documents available to third parties, either in whole or in part, without TG's prior written authorization or to use them for any purpose apart from the purpose for which they were handed over to Customer.

In case an authorization is granted that allows Customer to make such material and documents available to third parties, Customer shall be obliged to impose all obligations arising out of these T&Cs upon such third party. Customer remains liable to TG for any acts or omissions of such third party, and Customer shall hold TG and its affiliates harmless from any and all claims and expenses (including reasonable attorney's fees) arising out of or related to any such acts or omissions. If no Order is placed and/or upon the request of TG, Customer must return all material and documents.

11.8. Any use of the Brands, the Trademarks or of any intellectual property rights of TG or of TG's licensors as e-mail address or domain name or on social media platforms such as Facebook, X, Instagram, TikTok etc. or any setting up of a "Riedel", "Spiegelau" or "Nachtmann" account on any social media platforms shall only be permitted upon explicit prior written consent of TG.

12. Retention of Title.

12.1. TG shall retain title to the Products and samples delivered until full payment is received for such Products and/or samples by TG.

12.2. However, Customer is entitled to resell the Products in ordinary business in

the usual way customary in the trade. If Products, which have not been paid for yet are sold, Customer shall assign the claim thus arising vis-à-vis third parties to TG. TG shall be entitled to disclose the assignment. Customer shall immediately make available to TG all information required in order to pursue all claims and agrees to comply with all formalities that may be necessary for a valid assignment.

12.3. Customer is not entitled to pledge or hand over Products of TG that have not been paid for as security. Customer is obliged to claim the title of TG to the Products in relation to third parties and to notify TG immediately in writing if third parties assert claims with respect to the Products or if execution is initiated.

13. Severability.

If any provision of the T&C is deemed ineffective or adjudicated to be invalid by a competent authority, the validity of the remaining provisions shall not be affected. The Parties shall agree on a new effective provision which comes as close as possible to the commercial purpose of the ineffective provision without delay.

14. Applicable Law, Place of jurisdiction.

14.1. These T&C and the contractual relationship with the Customer, including their pre- and post-contractual phases and effects, shall be governed exclusively by **Austrian law**, excluding its conflict of law rules, and excluding those provisions of private international law which would lead to the application of another legal system, and excluding the provisions of the UN Sales Law (CISG – United Nations Convention on Contracts for the International Sale of Goods).

14.2. For disputes arising from the contract concluded with the Customer or the T&C underlying the contract, including their pre- and post-contractual phases and effects, the **District Court of Kufstein, Austria**, or the **Regional Court of Innsbruck, Austria**, shall have exclusive jurisdiction, depending on the subjectmatter jurisdiction. However, TG shall be free to sue the Customer at the Customer's place of business. Mandatory statutory provisions, in particular with regard to the exclusive place of jurisdiction, shall remain unaffected.
